**CIVIL NO. 3:16-CV-3358-N-BK
(CRIMINAL NO. 3:12-CR-320-N-3)**

**ORDER ACCEPTING FINDINGS AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made Findings, Conclusions, and a Recommendation in this case. Plaintiff/Petitioner filed objections, and the District Court has made a *de novo* review of those portions of the proposed findings and recommendation to which objection was made. The objections are overruled, and the Court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate Judge.

The Court notes that the Magistrate Judge did not recommend dismissal for failure to respond to her earlier order or because the claim was time barred, but because the motion failed on the merits.

IT IS THEREFORE ORDERED that the motion under [28 U.S.C. § 2255](#) to vacate, set aside, or correct sentence is summarily **DISMISSED WITH PREJUDICE**. *See* Rule 4(b) of the Rules Governing Section 2255 Proceedings for the United States District Courts.

Considering the record in this case and pursuant to [Federal Rule of Appellate Procedure 22\(b\)](#), [Rule 11\(a\)](#) of the Rules Governing Sections 2254 and 2255 Proceedings in the United States District Court, and [28 U.S.C. § 2253\(c\)](#), the Court **DENIES** a certificate of appealability. The Court adopts and incorporates by reference the Magistrate Judge's Findings, Conclusions

and Recommendation filed in this case in support of its finding that the petitioner has failed to show (1) that reasonable jurists would find this Court's "assessment of the constitutional claims debatable or wrong," or (2) that reasonable jurists would find "it debatable whether the petition states a valid claim of the denial of a constitutional right" and "debatable whether [this Court] was correct in its procedural ruling." [*Slack v. McDaniel*, 529 U.S. 473, 484 \(2000\)](#).¹

If petitioner files a notice of appeal, petitioner must pay the \$505.00 appellate filing fee or submit a motion to proceed *in forma pauperis*.

SO ORDERED this 17th day of March, 2017.

UNITED STATES DISTRICT JUDGE

¹ Rule 11 of the Rules Governing §§ 2254 and 2255 Proceedings reads as follows:

(a) Certificate of Appealability. The district court must issue or deny a certificate of appealability when it enters a final order adverse to the applicant. Before entering the final order, the court may direct the parties to submit arguments on whether a certificate should issue. If the court issues a certificate, the court must state the specific issue or issues that satisfy the showing required by [28 U.S.C. § 2253\(c\)\(2\)](#). If the court denies a certificate, the parties may not appeal the denial but may seek a certificate from the court of appeals under [Federal Rule of Appellate Procedure 22](#). A motion to reconsider a denial does not extend the time to appeal.

(b) Time to Appeal. [Federal Rule of Appellate Procedure 4\(a\)](#) governs the time to appeal an order entered under these rules. A timely notice of appeal must be filed even if the district court issues a certificate of appealability.
